Students of Today . . .

Living in an atom-rocked, bustling, worrying, and progressing era, we, as college students of today, appreciate the serenity and educational opportunities we find here under the watchful eye of the "Twin Towers" of Wofford College—a prelude to tomorrow. With many vital problems facing our generation, we, as youth of 1953, are grateful for the mothering influence of our Alma Mater and her task of preparing us for positions of leadership and honest citizenship for tomorrow. As we proceed through this 1953 BOHEMIAN, we find such examples of outstanding leadership that once walked the way of Wofford students.

Leaders of Tomorrow . . .

Although it is difficult for us to realize, we, college men of today, are those upon whom the load of leadership will fall in the next few years. Through example and precept, Wofford professors have endeavored to instill high moral ideals and characteristics of a "Wofford Gentleman" in their students. Proof enough of their success may be found in this volume as we gaze upon the one-time college men who now hold sectional and national leadership positions in educational, professional, religious, and political fields. From United States Congress members to local businessmen, Wofford men are found ably carrying out their respective duties and are living examples of men who have walked the "Wofford Way." Wofford is a PRELUDE TO TOMORROW.

Dedication . . .

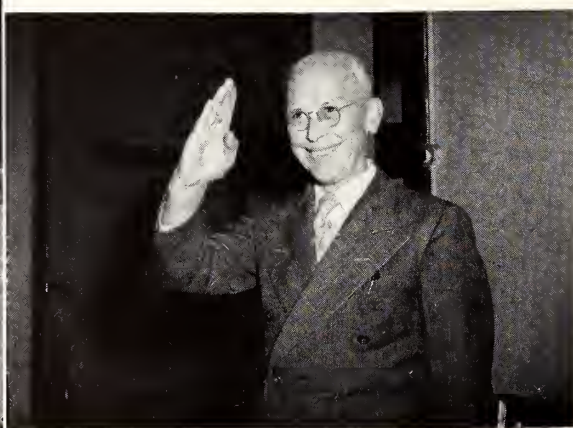

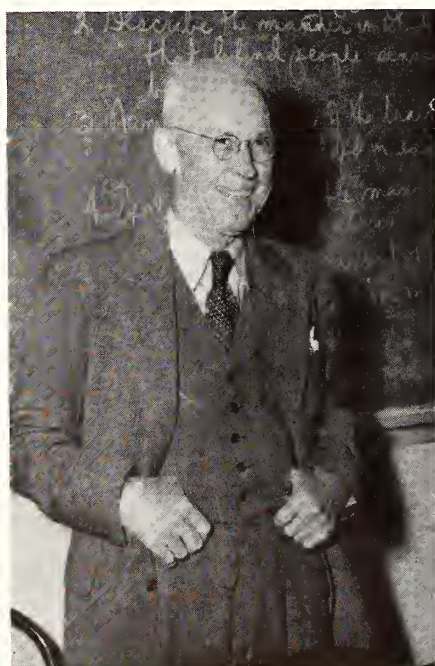

With thousands of men as living proof of the excellence of your work, Professor William Chapman Herbert, we of the BOHEMIAN staff take great pride in dedicating this 1953 BOHEMIAN to you.

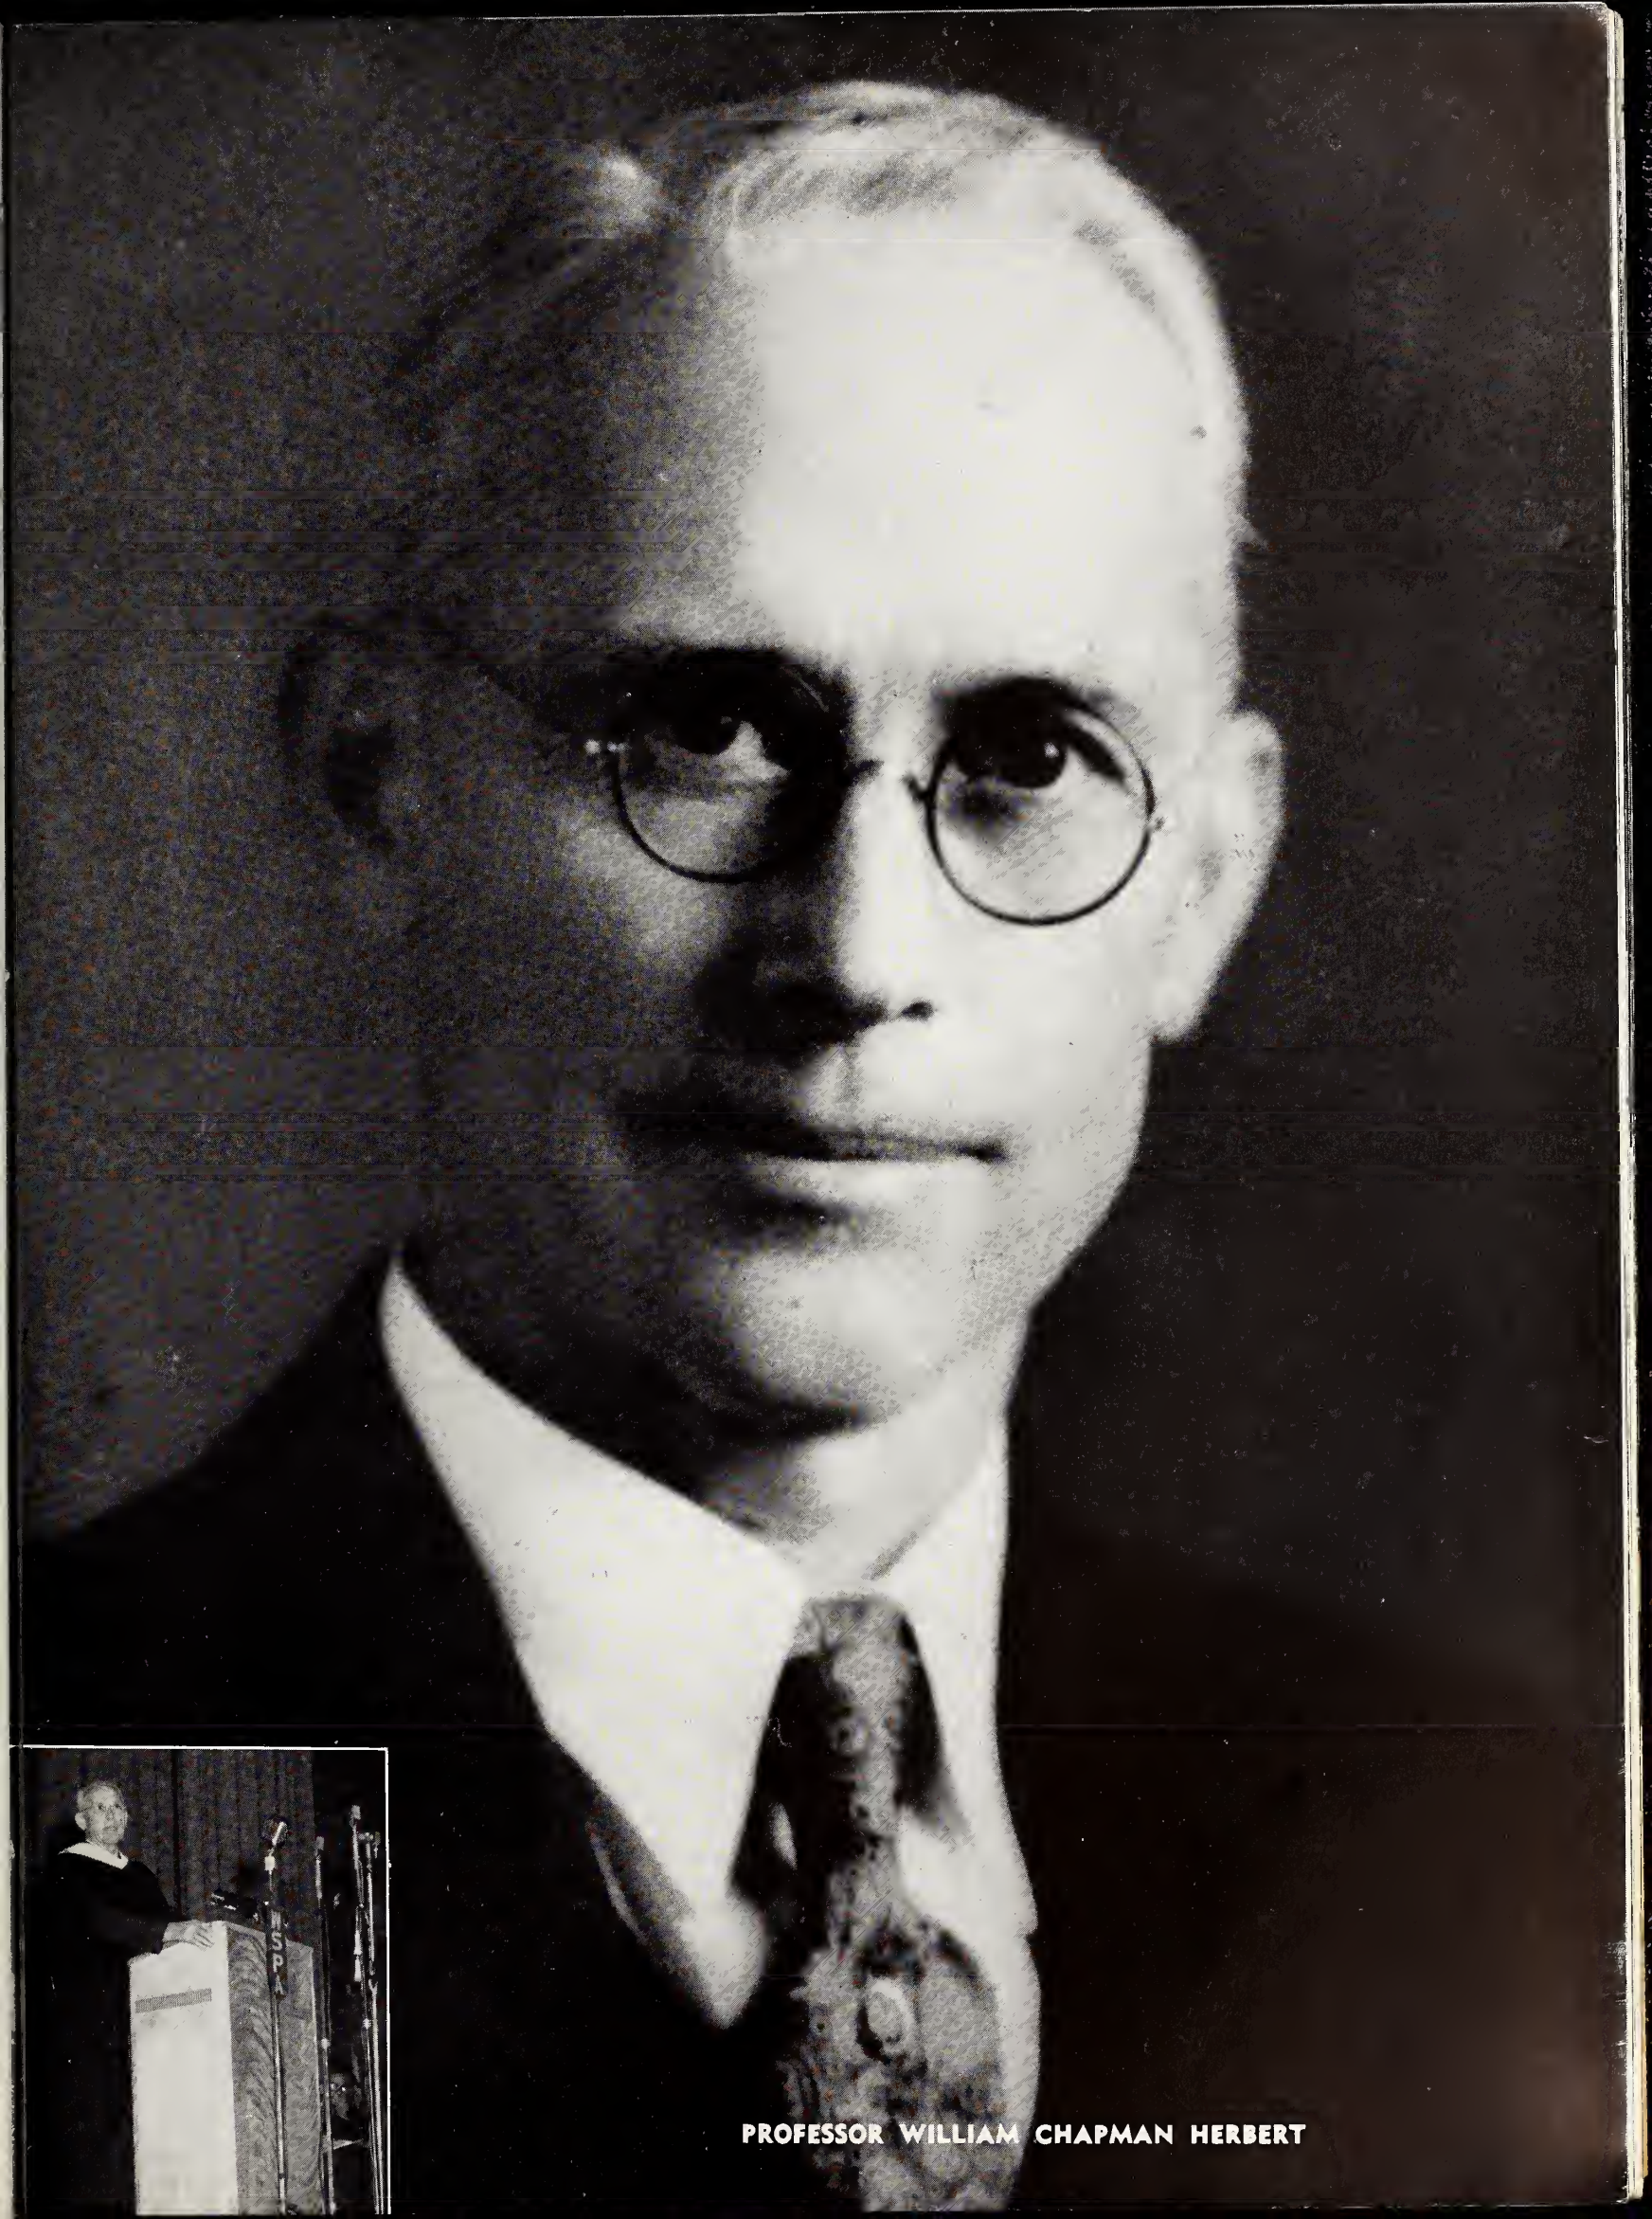

Professor Herbert, chairman of the Education Department, has served faithfully our Alma Mater, serving as Headmaster of the Wafford Fitting Schaal before he became affiliated with the Education Department.

His friendliness, his humor, his willingness to aid students at all times and his gentlemanliness have endeared him to Wofford men of today and to those of yesteryear.

Although this year will end his work here at Waffard, Professor Herbert's influence will ne'er be forgotten on this campus and in the hearts of all who have come in contact with him.

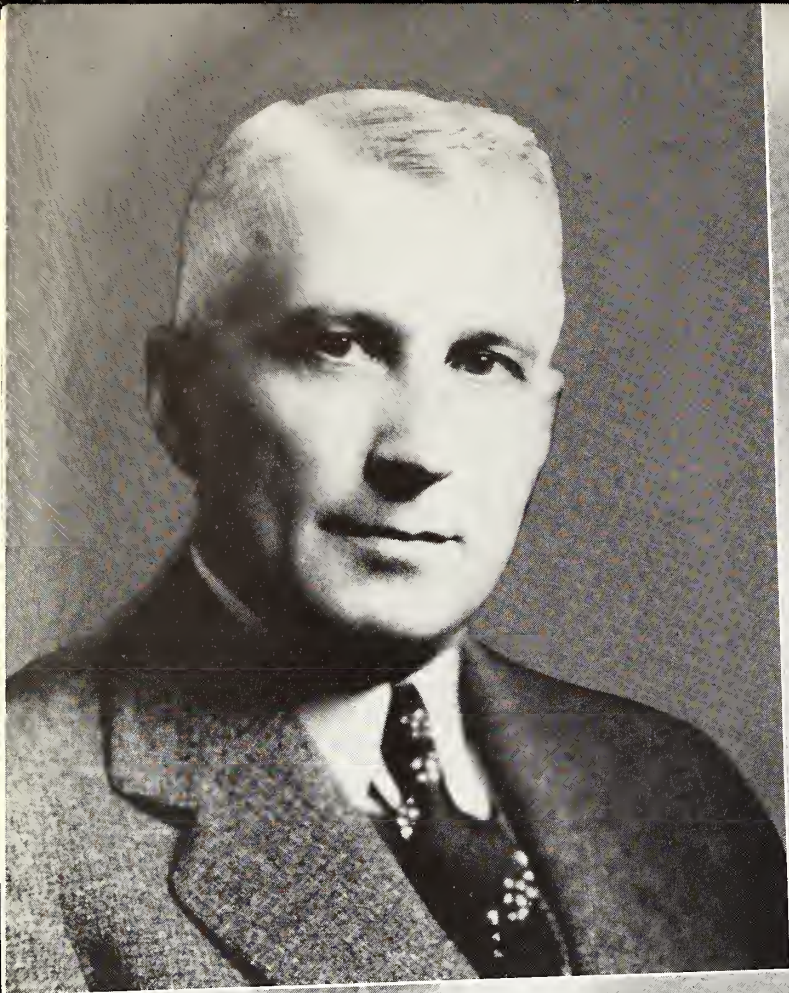

So, it is with proud hearts that we, the 1953 BOHEMIAN staff, dedicate this, our yearbaak, to you, Professor William Chapman Herbert, and it is with our heartfelt best wishes for continued good health, prosperity, and happiness that we thank you for your great work here at Wofford. Your light will always shine brightly in our hearts.

Prelude to Tomorrow . . .

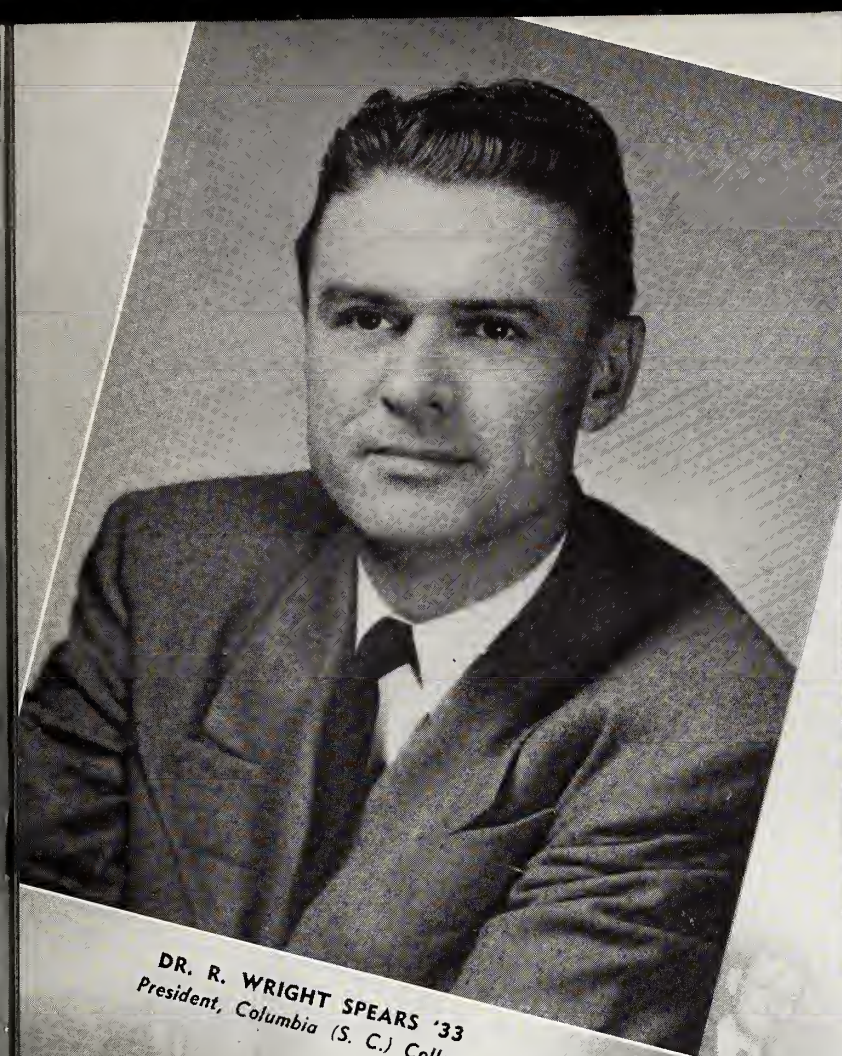

STUDENTS OF TODAY . . . LEADERS OF TOMORROW is a theme quite fitting for us, here at Wofford, to consider as we approach the first Centennial of Wofford College next year. In retrospect, we, the STUDENTS OF TODAY, are astounded at the large and able part Wofford men have played in the history of the state of South Carolina, the South, the Nation, and the World. Sons who have walked her hallowed halls have distinguished themselves in many fields and all realize their indebtedness to her teachings and guidance.

DR. HENRY R. SIMS '13
President, Winthrop College

By following examples of administrative heads of the past, many Wofford men have now become the administrative officers of similar institutions. On this and the adjoining page are shown several men who have acquired renown in the educational field. Throughout this book are pictured only some of Wofford's many "greats." Others are not pictured as the editors were unable to secure all of their pictures and as space is limited. Only a representative group are pictured on these and succeeding pages. Dean of these shown here is our past President and now President Emeritus, Dr. Walter K. Greene. He, with these others shown, is living proof that STUDENTS OF TODAY . . . can and do become LEADERS OF TOMORROW in . . .

The Academic Procession leads the way.

The Glee Club on the go.

*the inauguration of francis pendleton gaines, jr.
as president of wofford college*

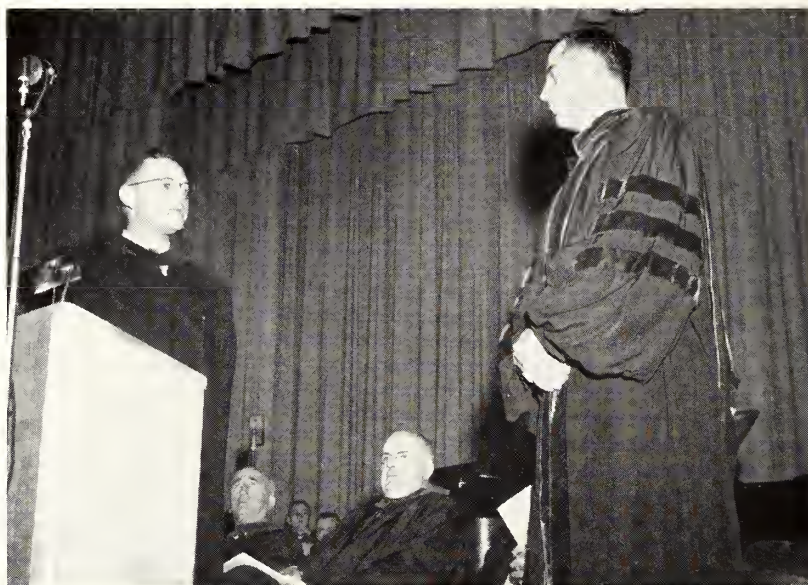

Coats and ties for everyone, tux for the glee club, and academic robes for the faculty was the dressing "Order of the Day" for everyone at Wofford on a wet, Friday morning in November for this was the day that Wofford received her new President, Dr Francis Pendleton Gaines, Jr.

With hundreds of distinguished visitors and official representatives from many institutions and organizations in attendance, the reins of responsibility as Wofford's new President were handed to Dr. Gaines.

The Student body enters the Auditorium.

Dr. Gaines becomes Waffard's sixth Prexy.

Dr. Gaines delivers his inaugural address.

Prelude to Tomorrow . . .

HON. JOHN J. RILEY '15
U. S. Congressman from South Carolina

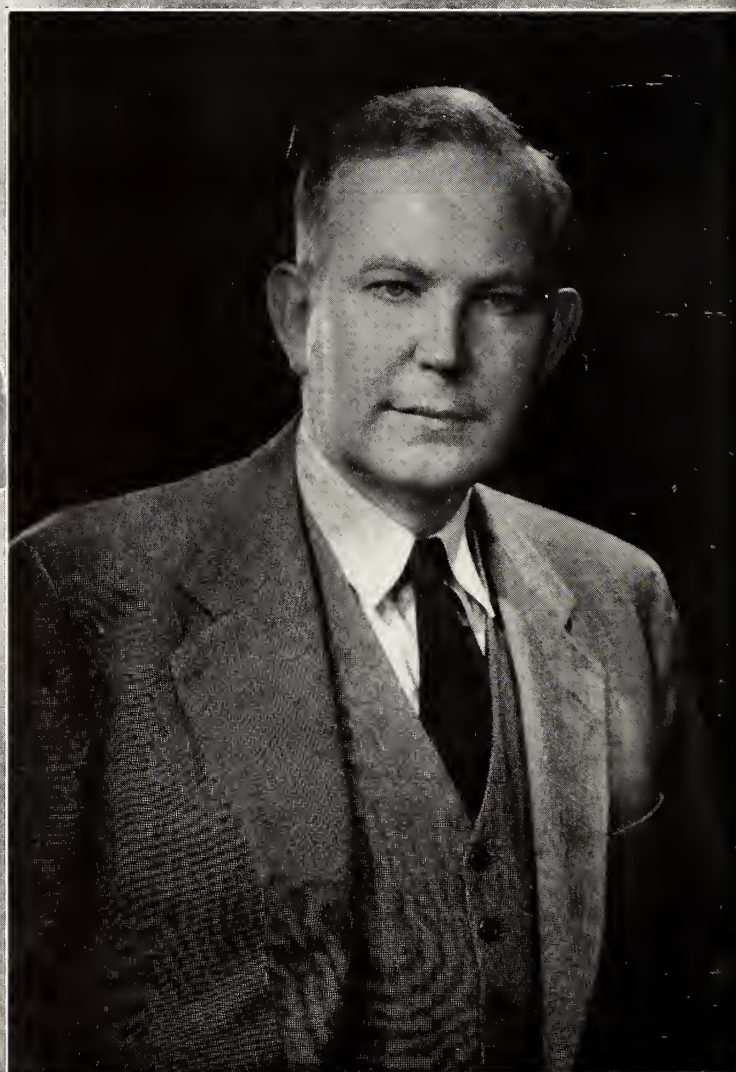

LEADERS OF TODAY as pictured on these two pages are the Wofford Students of yesteryear. As evidence of her worth to the individual, Wofford proudly claims the two outstanding South Carolinians here pictured in political life, three outstanding educational deans, and an administrative officer of her fostering Mother, the Methodist Church. As these men walked the sacred sod of Ben Wofford's legacy, dreams and methods of obtaining these dreams were visualized until today, these, with many others, have gained distinction for themselves and their Alma Mater. Leadership training secured here under the Twin Towers has ably benefitted these men and undoubtedly they feel as Bishop Mouzon, another Wofford great, did when in his will he wrote—"All that I am, I owe to that which I obtained while a student at Wofford College."

Now gaze upon the more than 500 students here at Wofford today in the next several pages and remember that these STUDENTS OF TODAY are the LEADERS OF TOMORROW as you wander through the . . .

Class of '53 . . .

In a decade or so from the time they receive those precious sheepskins, members of the class of '53 will fall into that peculiar classification of human beings known as the "old grad." And, if the success of Wofford's "old grads" of the past is in any way indicative of the future, the "old grads" of '53 will be characterized by a true flow for leadership.

But in reality you need not even look to the past to get an idea of what the members of '53 are capable of becoming. You might just ask one of 'em, or, in case typical '53 modesty (?) stood in the way of the truth, you might look at the record left by this ninety-ninth class in Wofford's history.

Although born one year too soon to gain the distinction of being Wofford's first and only centennial class, '53 did distinguish herself in a number of ways.

She proved her durability and her tenacity by outlasting two presidents of the college, the century-old institution of ratting and the horrible memory of the ill fated raids on P.C.

She placed several of her members in Who's Who, Phi Beta Kappa, and several other national honorary groups. In athletics, she produced all-state and Little All American candidates in both football and basketball. And she watched proudly as a new and distinguished helmsman took the wheel as president of the school.

Of the past and present may be relied on as a mirror of the future surely the old grads of '53 will make a notable contribution to the society of which they are a part.

Class of '54 . . .

Although they realized that there were some distinguishing factors which set them apart from other Wofford Classes of the past, the members of '54 could hardly have realized on that day when they first gathered on the Wofford Campus back in September of 1950 that old man time had chosen them for the honor of all honors—the distinguishing characteristic of being Wofford's first Centennial class. But, since they have learned of their role as "Destiny's Tots," '54'er's are not the ones to take their positions lightly. Great things are being planned for the Centennial year celebration and, as seniors, '54 will provide a great portion of the student leadership for the big event.

Leadership will come as nothing new to this year's juniors. They have placed many of their number in

positions of leadership and have yet to waver in the face of responsibility during their three year stay on the Wofford campus. Many members of '54, for example, remember the day back in '50 when, with their freedom at stake, they overcame that year's sophomores in the first of the ill-fated pushball games. Then, to prove themselves no pushovers, they came back last year to defeat a valiant freshman class bid for freedom at the same sport and maintain their class honor.

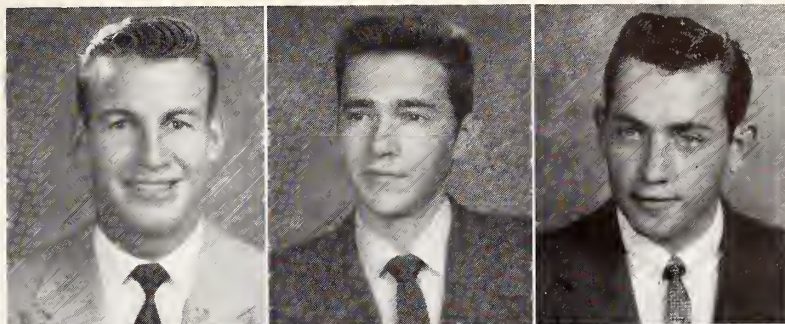

This year, '54 maintained that same fighting spirit to provide its share of leaders in all fields. Truly, history could not have made a better choice in its pick of the centennial class. At least, '54 thinks so.

Class of '55 . . .

Operating on the idea that if you can't finish a thing, then at least do a good job of starting something, the class of '55 is evidently looking forward to the day when it will be the first graduating class of the second century of Wofford's history. And with that show of leadership they fully expect (just ask 'em) to take their place with the hundreds of Wofford grads who have become leaders in the many areas of life.

A look at the record reveals, too, that these leaders of tomorrow haven't done badly as students of today on the Wofford campus. During their two year stay, they have shown a decided ability to lead in both academic and extra-curricular activities.

As sophomores, the members of '55 watched with special horror as rigor mortis set in on the dearly-loved institution of "ratting." Having "served their time" as rats just last year, they returned to school with that mischievous (and sometimes murderous, according to the freshmen) gleam in their eye that mark all sophomores. But those gleams were soon to be extinguished by the virtual abolition of ratting.

'55, though disappointed naturally by this unexpected turn of events, was able nevertheless to take the blow in the true Wofford spirit, and, in so doing, exemplify the sportsmanship and leadership which has characterized Wofford men through the years.

Class of '56 . . .

The Class of '56, with the typical tenacity of all Wofford freshmen of the past, lived through the hours of their first year as Wofford men in fine style. After getting a taste of real, old-fashioned ratting for about a week, they were subjected to an even worse fate after their "liberation"—the fate of being thrown into the novel problem of how to act around upper-classmen. And there's where they displayed the fine spirit which made them part and parcel of Wofford. Placed on practically as equal status with the upper classes, except for certain minor acts of tribute that were demanded of them, '56 maintained throughout a spirit of co-operation and consideration.

After surviving the rigors of orientation and "rush week" and then gaining their complete freedom by vanquishing the sophomores in a tug-o'-war, the frosh came face to face with a new problem—that of academics. Here, too, they displayed a great deal of endurance, if not brilliance, and came through smiling, in the majority of cases at least.

This year's freshman class was the largest in the history of Wofford and, as a result, had Snyder Hall and the third floor of Carlisle bulging at the seams. And, all in all, it did a bang-up job of proving that good things may come in large, as well as small, packages.

"SI MONUMENTUM REQUIRIS CIRCUMSPICE"—Old Ben Wofford said—"If you want a monument, look around you—"We imagine that poor Ben is now quaking in his grave at seeing such sights as these around the Wofford campus. Enjoying a SCA sponsored wiener roast. Spots before your eyes. FURAMAN by Furman. Get 'em Rubberlegs. Pweeze Mama. Converse Barn Dance. King of the Green, King Booger I. They like it, they like it. The inevitable Chow line. Bragging or complaining, "girls."

Cannon's Corps of Cadets perform at Homecoming. Holler catin' over at the 'verse. Enjoyable P.C. pep meet with Richards' Roomers. Preparing for the day—they won, too. Uh huh huh, Doc, it's impolite to point. The Homecoming Parade swings onto North Church. The Tennessee Dew Drops entertain the Kelly Sisters. Huh huh huh huh—How'd you like someone to do you that way. Bells ring—not for cows—but for Columbia College's gals.

Prelude to Tomorrow . . .

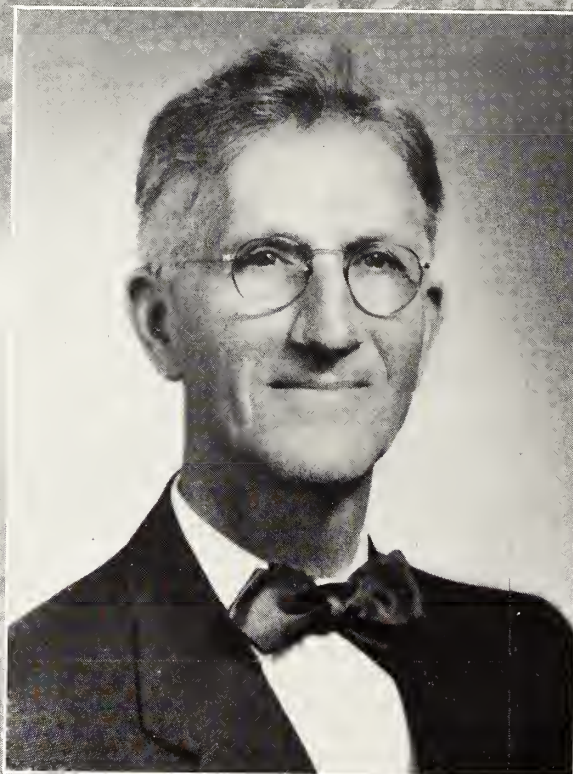

As permanent as Wofford's historic "old bell" which hangs in the West Tower of Main Building, activities here at our domicile "on the city's Northern border" are a vital and lasting part of our lives. Whether it be in publications, music, religious or pre-professional groups, language organizations, or honorary fraternities, the Wofford Student can find some extra-curricular work in which he may participate and develop his interests more highly. Pictured on these two pages are two outstanding ministers, a distinguished author and sociologist, a utilities official, and are three outstanding ministers, a distinguished author and sociologist, a utilities official, a newspaper editor and columnist and a national organization president—all Wofford Students of a former day.

the wearers of the Phi Beta Kappa Key...

For over a century and a half, election to PHI BETA KAPPA has been a recognition of intellectual capacities well employed, especially in acquiring an education in the liberal arts and sciences.

PHI BETA KAPPA was founded on December 5, 1776, at the College of William and Mary in Williamsburg, Virginia. It was the first society to have a Greek letter name. From that small beginning in one of the cradles of the American nation and in its transplantation to another cradle of that nation, the colleges of New England, the society has spread out and covered the entire nation and become one of the most honored societies of the world. Over one hundred and fifty chapters are now in existence.

The Wofford Chapter of PHI BETA KAPPA, Beta of South Carolina, was chartered in January of 1941. The charter was granted to the holders of the PHI BETA KAPPA key who were officially connected with Wofford College at that time. It is one of the two chapters in South Carolina. During the past decade, the local chapter has held firmly to the high ideals and purposes for which PHI BETA KAPPA was founded.

Who's in Who's Who?

Each year a faculty delegation chooses the outstanding members of the senior class for the annual publication of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES.

The basis for these selections are allegiance and co-operation of the young men with the alma mater, with the students, and the individual's scholastic rating also plays a determining part in their selection.

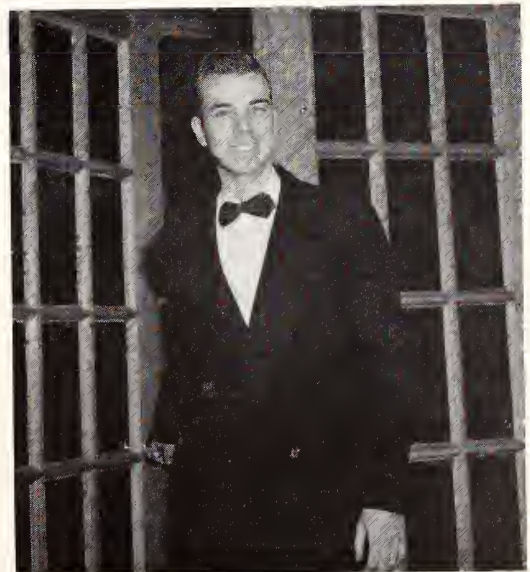

The men who are chosen for this honor are the class presidents, Phi Beta Kappas, editors, football captains, and other "big-wigs" around the campus. Their selection for WHO'S WHO is another honor added to their already superlatively filled record. The members of WHO'S WHO have a just reason for being proud.

SENIOR ORDER OF GNOMES

Another of the many high honors to be attained at Wofford is membership in THE SENIOR ORDER OF GNOMES. This honorary fraternity was established on this campus in 1915. Each succeeding Senior Order of Gnomes selects the four most influential and prominent members of the rising senior class near the close of the school year.

This year's members are Jack Carroll, who is president of the Student Christian Association; John Cottingham, president of the senior class; Inter-Fraternity Council president, Ted Morton and John Younginer, president of the Student Body.

the Wearers of the Blue Key

One of the highest honors a student can hope to attain at Wofford is a bid for membership in BLUE KEY.

Membership is restricted to Juniors and Seniors and their invitations to join must be an unanimous vote of all the BLUE KEY wearers, besides consideration of scholarship, character, and accomplishments of the individual.

This year BLUE KEY is headed by Farrell Cox as President, Jack Carroll as Vice-President, Sidney Fulmer as recording Secretary and Bob Barham as corresponding Secretary.

Each year BLUE KEY carries on many worthwhile projects for the school. As is only natural, BLUE KEY members are found in high positions on all of the publications, as class officers, and in all of the honorary organizations.

THE STUDENT COUNCIL here at Wofford has been unceasing in its efforts to make the plight of Wofford students more pleasant in their relations with the faculty and other surrounding schools. The council once again sponsored the Winter Ball held in the Spartanburg Memorial Auditorium with music furnished by Dick Levin and his Orchestra from N. C. State. The council also did its share to make the homecoming weekend an eventful and memorable one.

His "easy-to-listen-to" voice was at its best when he delivered to Dr. Gaines the Student Body's best wishes at the inaugural ceremonies last fall. Redheaded Rosie McLellan has capably aided John in many ways and served as Vice President all last year. Secretary of the council was Tommy Griggs and Ernie Little served as Treasurer.

Members of the council included: Steve Goudelock, President of the Junior Class; John Cottingham, President of the Senior Class; Bill Reid, President of the Sophomore Class; and Ray Eubanks, President of the Freshman Class; in addition to the four officers listed above.

the little U. N. . . .

The Wofford Chapter of the INTERNATIONAL RELATIONS CLUB was organized here in 1922. IRC has steadily grown and that growth can be attributed to its desire to aid students in learning to live harmoniously with the world about them.

The membership, elected from students who have expressed a sincere interest in international affairs, meets twice monthly for informative forums and lectures.

This year more student participation has been shown in the programs for the club. President Sidney Kelly has been untiring in his efforts to promote the interest among the members.

Here at Wofford, South Carolina's Delta Chapter of PI GAMMA MU was headed by Bob Barham, president, and Professor John Doby, faculty adviser.

PI GAMMA MU, National Social Science Honorary Society, has always strived to stimulate interest and study in the many diversified fields of the social studies. The organization is composed of those men who, during the course of their college work, have shown unusual interest and achievement in the study of social sciences.

This year the club had several outstanding programs in which both student and faculty members participated. On various occasions outside speakers met with the group to discuss solutions to many of the present day problems.

EL CIRCULO ESPANOL, under the leadership of Tom Wyatt as president, and Ben Weaver as Sec.-Treas., is open to all members of the student body who have an interest in the Spanish language and the customs of the Spanish speaking world.

The main purpose of the club is to stimulate interest in the Spanish language and the way of our "neighbors to the South." An effort to promote an understanding of their civilization, and the informal speaking of their language is made in each of the club's meetings.

This year, the club has brought to the campus several Spanish dialogue movies, and in conjunction with the Converse Spanish Club, has staged social events based entirely on Spanish "fiestas."

SIGMA DELTA PI, Notional Honorary Spanish Fraternity is Wofford's most recently established honorary group, with membership open only to members of the third year Spanish classes who are selected for participation with respect to overall averages and Spanish grade point averages.

Wofford's chapter, Gamma Xi, one of 80 nationwide chapters is led this year by Bill Cannon, president; Harvey Floyd, vice-president; and Ron Bryant, Sec.-Treas.

The local members who met for the first time only last May are making quite a name for themselves with their work in connection with the Spanish Club in getting Spanish dialogue movies to the people of Spartanburg and the local colleges.

Since the founding of DELTA PHI ALPHA, notional honorary German fraternity, by Dr. James A. Chiles and John Idson here at Wofford in 1929, the Wofford chapter, being the Alpha chapter, has enjoyed a great tradition. During the school year several interesting programs were presented with the aim being to correlate classroom work and the colorful folklore and traditions of the German people.

The Wofford Pre-Chemical Society was organized at Wofford in 1948 under the sponsorship of the American Chemical Society and is now known as STUDENT AFFILIATE OF THE AMERICAN CHEMICAL SOCIETY. The Society granted the Wofford Chapter its charter in 1949. The organization's membership is composed of those students majoring in Chemistry and related fields.

The programs of the monthly meetings consist of lectures, and demonstrations on various technical subjects in the field of Chemistry. During the year, trips were made to regional chemical plants. Occasionally, local men of prominence in the field of chemistry present lectures to the group.

Under the able guidance of Dr. Leonard and Professor O'Steen, the PRE-MEDICAL SOCIETY has taken great strides this year in procuring a keener insight into the field of medicine. Through well-planned programs both on and off the campus, the members of the society became familiar with such appropriate subjects as the purpose of a pre-medical course, X-ray and fluoroscope procedures, birth, medical advances, etc.

Membership in the society is limited to Juniors and Seniors with accreditable scholastic averages. Freshmen and Sophomores are admitted, however, as associate members.

Jimmy Holler, President, ably assisted by Larry Gant, Vice President, Sid Fulmer, Secretary, and Mike Sowell, Treasurer, is very proud of this year's society and is confident that it will continue to increase in numbers, strength, and enthusiasm.

the prospective Preachers . . .

"To unite in brotherly love and Christian fellowship" may well be the theme of some forty members of the Wofford MINISTERIAL UNION. The Union, under the leadership of Farrell Cox, has attempted to make Christianity a living force on the Wofford campus.

Particular emphasis this year was placed on Christian vocations and personal evangelism. Outstanding ministers and laymen have shared their Christian experiences with the group from time to time.

One of the highlights of the year for this group has been the participation in the Religious Emphasis Week. The group worked in conjunction with the S.C.A. to make this week a memorable one in Wofford's history.

Mickey Fisher has served as vice-president of the organization with Franklin Manning, secretary, and John Penick, treasurer.

the bountiful Baptists . . .

The BAPTIST STUDENT UNION serves as a link between the Baptist students at Wofford and the local Baptist churches of Spartanburg. An organized council of eleven students, and a local pastor adviser meet weekly to plan the B.S.U. activities.

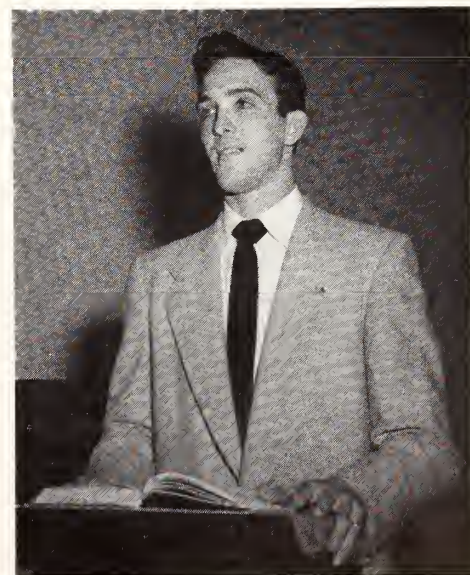

A general meeting of all Baptist students is held each Thursday. This meeting is devotional in nature with students and visiting speakers in charge.

Special weeks of emphasis (such as Evangelistic Emphasis Week and Vocational Emphasis Week) are observed throughout the year. In the fall of the year there is a State B.S.U. Convention and in the spring a Retreat is held for the newly elected members of the councils of the State.

The B.S.U. sponsors parties and social get-togethers with other college students of the city, and often exchanges programs with colleges in the city and in the State.

Mrs. Helen Davis is the Director of Religious Activities for the Baptist students of the colleges of Spartanburg.

Pete Johnson is president of this year's group.

"To signally honor those men who have earned a letter for participation in one or more of the major sports—"is the purpose of the BLOCK "W" CLUB here on the Wofford Campus. Membership in this honorary organization is limited to those students who excel in certain sports, and each wearer of the "golden W" has just reason to wear it proudly.

Led by President Bill Small, the BLOCK "W" boys have sponsored their annual events. The highlight of all events is the initiation period in early Spring which always amuses the entire student body and the citizens of Spartanburg.

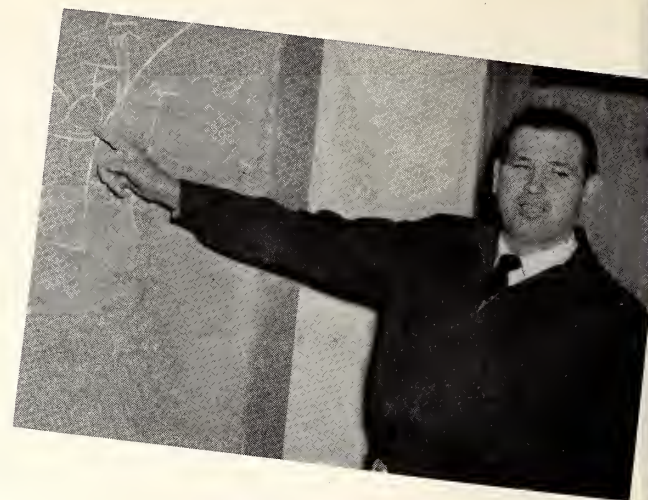

Sponsoring the Old Gold versus Black intra squad game each year and several concession stands during athletic contests, the club's members find their treasury filled.

The SCA is the one organization of the Wofford Campus to which everyone belongs. It is up to the individual whether he is an active or inactive member.

The SCA meets each Thursday night, and sponsors interesting programs, many of which are presented by deputation teams from our neighboring colleges.

This campus organization is here to maintain brotherly love and fellowship, and to keep alive and active those standards which have made the golden tradition of Wofford College.

The leaders who carry on the work for the SCA are chosen by the students in the spring.

the tuneful Terriers . . .

The WOFFORD COLLEGE GLEE CLUB once again in 1953 captured the hearts and applause of the many audiences it performed for in the Piedmont section as well as in the Low County. Having sung before more than 20,000 people, the club ended its season in its home concert here at the Memorial Auditorium.

Moyer's men successfully combined sacred and secular music to give a program to please anyone. As usual, the ten-day tour to the lower regions was the highlight of the year for the "Tuneful Terriers."

Accompanied by the artistry of Bill Duke, the Glee Club gave its director, Professor Moyer, one of his most successful seasons.

As a sidelight to its usual program, the club took "The Tennessee Dewdrops" along again this year wherever they went. They added much to the enjoyment and variety of the program.

The 70-man team also contributed to the success of several benefit programs here in Spartanburg and the joint work with the Converse College Chorus was a most enjoyable task.

Again this year many scholarships have been awarded to band members on the basis of playing ability and instrumentation need. These scholarships have been a major factor in building up the Wofford Band as one of the best of any small college in this area.

Many of the regular band members are also members of the ROTC band which performs at all Wofford Military ceremonies.

the Bohemians . . .

As Bill Kinney, editor of this year's BOHEMIAN, will tell you, the publication of any college yearbook is a continuous process of hard and tedious work. Hundreds and hundreds of photographs and thousands of words of copy were just two of the many headaches which confronted Kinney and his staff.

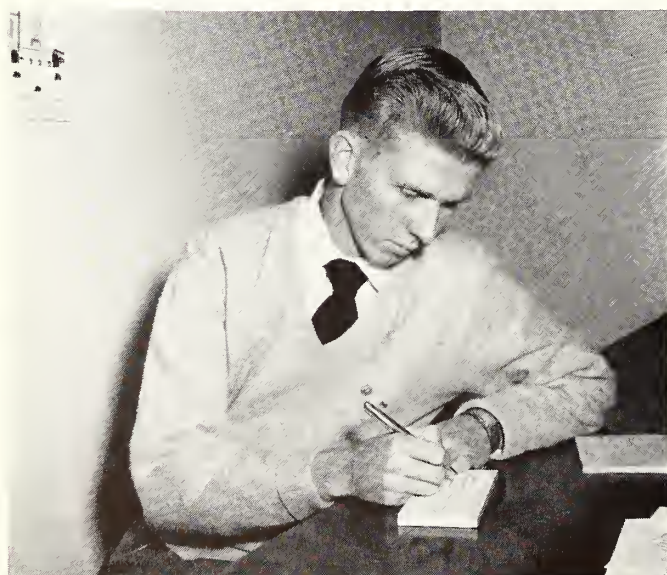

Familiar campus scenes were Kinney and Mr. Robert Willis, official photographer, probing about the campus for shots of the many activities,—Fulmer biting his nails ferociously because some copy deadline was not met.

Snyder, Coker, and Lineberger and DuBose furiously at work at the typewriters—and Heggie and his staff pestering business men of the city for much needed ads. These scenes were familiar and of course traditional. For each year, the problem is the same—to put out a book which will record for each Wofford man the memorable events of the College year.

Yes, Hard work—but rewarding, too.

The newspaper of any school has a tremendous responsibility to both the students and the administration, for it is the official "mouth-piece" of the school and is therefore a reflection of the school itself. Everything that happens on the campus—from a hot editorial debate to various and sundry news events must be written for the consumption of Wofford men.

Tommy Jones and Sidney Fulmer, Editors-in-Chief for the first and second semesters respectively, were constantly on the move—not only searching for stories themselves, but seeing that their staffs were on the job. Harvey Floyd aided them tremendously by providing the necessary dollars that it takes to print a newspaper.

While the college newspaper records the weekly campus happenings, and the college yearbook records them for posterity, the college literary magazine, *THE JOURNAL*, records the actual expressions of the students themselves. Issued five times a year, *THE JOURNAL* prints the best of student poetry, stories, essays, plays, and other literary forms. *THE JOURNAL* is an expression of the creativeness of Wofford students.

This year under the editorship of Ron Bryant, the aim has been to streamline and modernize this magazine. New features, such as specially selected cartoons, expertly drawn covers and attractive make-up have been stressed.

John Snyder served as assistant editor and Cliff Reaves kept accounts in the black by tireless solicitation of advertisements.

Prelude to Tomorrow . . .

Although these men pictured on these two pages are not Wofford Alumni, they are all living proof that college fraternity men do find places of high distinction in many varied fields. Football coaches, statesmen, college presidents, and many other leaders in life all will agree that much of their ability to understand human nature and associate with varied types of people has been acquired through understanding and associations made during college fraternity days.

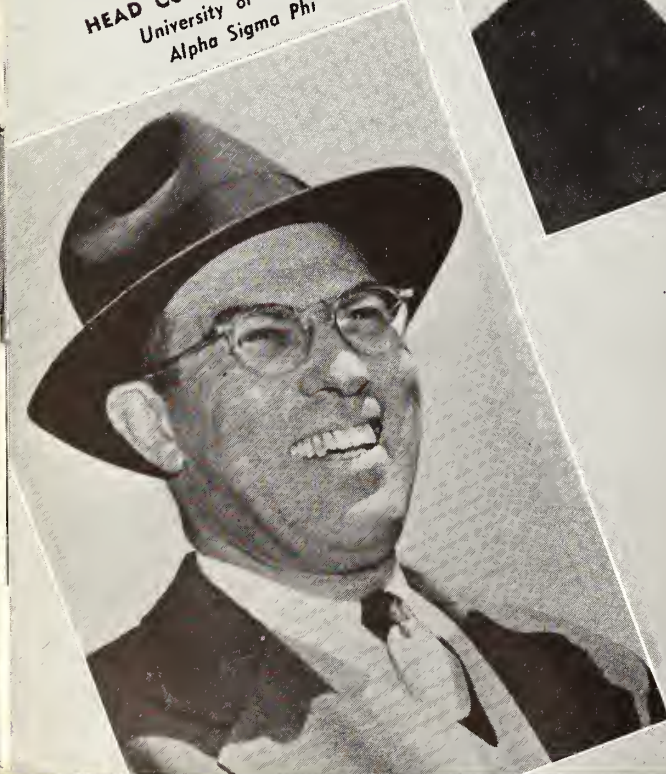

Social fraternal life instills into fraternity men the capacity to accept positions of responsibility and often aids them in the walk through the avenues of academic endeavor.

Representatives of the seven social fraternities here at Wofford form the governing body for the fraternities—the INTER-FRATERNITY COUNCIL. I-FC members are presented keys at the end of each year as tokens of their service to the fraternities and the council.

Guided by President Ted Morton of Kappa Sigma fraternity throughout the past year, the council has kept an incessant and scrupulous vigil over the Greeks and have kept all Greek actions in order. Since the

council's founding four years ago, the order of presidential nomination is based on the alphabetical order of the frats.

This year's council successfully guided the frats through a rush season in which 130 new fraternity men were pledged. The I-FC scholarship trophy was awarded to Kappa Alpha for holding the highest scholastic average on the campus. The I-FC Homecoming Ball was the highlight of the homecoming weekend in November.

the Alpha Sigs . . .

The Beta Phi Chapter of Alpha Sigma Phi had a successful year this year, beginning during rush week with the addition of twenty-two pledges to the chapter roll. The Cardinal and Stone supplied its share of athletes to Wofford's winning teams: eight football players, and four of the Terrier's basketball squad, including team-captain Bill Moody, and All-American candidate Ellerbe "Daddy" Neal—, not to mention the other sports on the campus in which Alpha Sig's boys played their part.

The first event of the year, a pledge party

at Knights of Pythias Hall, was a huge success, along with the smoker. The Founder's Day banquet and numerous other parties during the year preceeded the main event on the Alpha Sig social calendar—The Talisman Ball held in the spring.

After the Ball the Sigs began to make plans for the annual house-party in early summer and then settled back to living their life of close brotherhood, always striving to obtain from life its fullest measure of enjoyment and happiness.

the Delta Sigs . . .

Under the leadership of Mr. W. E. Buice as Chapter Advisor, Psi Chapter of Delta Sigma Phi began the year with a successful rush season acquiring thirty-two pledges.

Activities were very numerous. Following the procedure which was first initiated last year, the Delta Sigs enjoyed a "steak and mush dinner" for the purpose of improving scholarship. Among the other activities of the year were contributions to needy families at Christmas, liberal donations to the March of Dimes, numerous parties, organization of an active alumni chapter, the unforgettable Sailor's Ball weekend in May with a formal banquet.

Several Delta Sigs proved to be quite suc-

cessful campus leaders. Three of the Junior class officers were Steve Goudelock, President; Charlie Furr, Treasurer; Bob Brown, Secretary. Serving as Secretary of the Sophomore class was Jack Dunlap. Dixie Gibbons filled the office of Historian for the Senior class and also was elected Captain of Scabbard and Blade. Joe Heriot, Pete Johnson, Bob Brown and Wade Herring were members of the S.C.A. Cabinet. Bob Brown also served as Treasurer for the S.C.A. Charlie Furr and Eddie Carswell were re-elected Cheerleaders. Dean Patrick and Joe Heriot were also members of Scabbard and Blade. First semester President Pete Johnson was also President of the Baptist Student Union, Vice President of the Inter-Fraternity Council, and a member of Blue Key.

the KA's . . .

Delta Chapter of Kappa Alpha Order is the third oldest chapter of Kappa Alpha in the United States and is one of the oldest fraternity chapters on the Wofford campus. Although Delta is quite proud of its fine heritage and past history, it, nevertheless, is content only with building and planning for the present and for the future.

This year Delta has obtained a new house located only a short distance from the main campus. The house has been furnished and

decorated by the chapter members and the alumni have contributed a 21" television set.

Delta was awarded the scholarship trophy for having the highest scholarship average of the seven social fraternities, and has consistently ranked high in the intramural standings.

The Old South Ball, the Robert E. Lee Banquet, and the Farmers Ball were the highlights of the social functions enjoyed by Delta.

the Kappa Sigs . . .

Alpha Nu Chapter of Kappa Sigma fraternity has been its usual active self here on the Wofford campus throughout the past year. When rush week had ended, the Kappa Sigs had mopped up with a total gain of twenty-eight pledges. These new Alpha Nu members boosted the chapter membership to a round seventy. This gave Kappa Sigs the biggest frat on the Wofford Campus.

Perhaps, the biggest event in Alpha Nu's history this year was the attainment of a fraternity house on Cleveland Street just behind the Main Building. The Kappa Sigs are buying this house and have decorated the interior of it in a most comfortable and attractive manner. Many idle hours were spent in it.

Kappa Sigma held almost all of the places of leadership on the campus during the past year. Below, a few are listed: President of the Student Body, John Younginer; President of the Student Christian Association, Jack Carroll; President of the Inter-Fraternity Council, Ted Morton; President of the International Relations Club, Sidney Kelly; Editor of the OLD GOLD AND BLACK, Tommy Jones; Editor of the JOURNAL, Ron Bryant; Secretary of the Student Body, Tommy Griggs; Treasurer of the Student Body, Ernie Little; Secretary of the Inter-Fraternity Council, Joe White; three listed as Senior Order of Gnomes; four listed in Who's Who in American Universities and Colleges.

the Pikas . . .

Pika's Nu Chapter has grown steadily since its reactivation here on the Wofford Campus. This year has been filled with varied activities, which were successfully climaxed with the dazzling Dream Girl Ball and Banquet early in April.

The brothers and pledges have a reputation on the campus for their harmonious associations and brotherly conduct. May it ever be so.

Brother Bob Barham is secretary of the Senior Class and President of Pi Gamma Mu, national Honorary Social Science fraternity; Brother Rosie McLellan is co-captain of the Football team; Brother Harvey Floyd is Business Manager for the OLD GOLD AND BLACK; Brother Harry Gall is serving his third term as historian of his class; and Neil Bonds is secretary of the Future Teachers of America Association.

Zeta Chapter of Pi Kappa Phi ushered in the rush season with a successful party at Floyd's Cabin this year.

Founder's Day was observed December 12 with a banquet at Thomas' Restaurant with best pledge award going to Donald Durham and honorable mention to Sammy Poston.

Several parties were staged during the year

and the members still found time to participate in extra-curricular activities.

The members helped Spartanburg alumni organize a very active area alumni chapter.

The annual Rose Ball was held in the spring when everyone contributed to a big climax of the year's major activities.

the SAE's . . .

South Carolina Gamma of Sigma Alpha Epsilon has enjoyed a most prosperous year which started with a well defined rush program. As a result of the dance and two smokers the SAEs sponsored, seventeen new boys were pledged to the home of the "lions."

Highlight of the year's social functions was the annual Founder's Day Banquet and Formal held in mid-March. Several other socials were enjoyed—some stag, some drag. One of the outstanding visits made to the chapter during the year was the visitation of the Province Archon to the chapter in December.

The Sig Alphas hold honors in many varied phases of campus life. Seven brothers are on the Terrier's gridiron roster—they are: Eddie

Reed, Don Caldwell, Bobby Capes, Jack Abell, Bill Pope, Dennis Barbare, and Bob McCully. E. A. Jimmy Holler headed the pre-Med Society this year, while Brother Russ Froede headed the Glee Club, Brother Tom Wyatt headed the Spanish Club, Brother John Gill headed the Cheerleaders and Brother Butch Trent managed the band, and Brother Bill Kinney served as Editor-in-Chief of the BOHEMIAN. Brother Allen Hoffmeyer was Vice-President of the Sophomore Class and Brother Bob McCully was Treasurer. Brother Mel Derrick was again this year Wofford's Publicity Director for Sports. Glee Club soloist Roy Taylor also served as Assistant Director of the College Band. Brother Tommy Lynn was Business Manager of the Glee Club.

The theme of STUDENTS OF TODAY—LEADERS OF TOMORROW is certainly applicable to those who now and those who in the past have walked the "Wofford Way" in the Military Profession. Supported by a heritage as one of the nation's top units, the Wofford R.O.T.C. is continuing, as it has always done in past years, to prepare its cadets for leadership in fields of military endeavor.

Pictured on these two pages are Wofford Alumni who have distinguished themselves in Army and Air Force pursuits. Two of those pictured are ranking officers in the South Carolina Military District.

With a world surrounding us which is atom-rocked and unnerved, it is only plausible that we, students, should take full advantage of all experience and teachings which we may find here to train us for any emergency or call to duty.

As we, STUDENTS OF TODAY, face the future, we are confident that many of us will be LEADERS OF TOMORROW in the . . .

Experience in teamwork and leadership on the athletic fields of Wofford have led many former Terriers into high positions in athletics. Pictured on these two pages are head football coach, head basketball coach, and assistant football coaches and two of the Terrier's strongest supporters. With these pictured here thousands of former Wofford men still look with pride to the "Fields of Glory" that Wofford athletes walk.

Those here at Wofford who actively participate in athletics are preparing themselves for the roles of coaches, athletic advisors, and possibly sports writers. This training which is received here at "Terriertown" will enable them to capably man the ship of responsibility as leaders in athletic circles.

1953

When Coach Phil Dickens announced before the official season began that the Terriers were headed toward a rough season, we continued to feel that, if it were at all possible, they would come through with a creditable won-loss record. They did—wins and losses. With such venerable foes as: University of South Carolina, Elon, P. C., Auburn, Newberry, Tennessee, Furman, Catawba, Marshall, Western Carolina Teachers College, and Florida State University, the Terriers showed the fighting spirit which has won for Wofford College national acclaim as one of the nation's top small college grid-iron squads.

PHIL DICKENS
Head Coach

Faced with the toughest schedule in the history of the college, Wofford gridmen of 1952 upheld the highest standards of sportsmanship, co-operation, and determination which has characterized Wofford men in the past.

Captained by Seniors Eli Sanders and Rosie McLellan, the Terrier's returned the "Little Three" crown to "Terrier-town." Once again they were able to break Catawba's undefeated streak, and once again the Presbyterians were deprived of victory through a fourth period rally. Students as well as alumni were justly proud of the performance the Terriers gave on Homecoming day against Marshall's Big Green.

Ably coached by Head Coach, Phil Dickens; Assistant Coach, Lou McCullough; Backfield Coach, Wilbur Stevens; Line Coach, "Stud" Stapleton; End Coach, Joel Robertson; and the indispensable trainer, "Floogie" Ariail; the Terrier Gridmen put on many stellar performances.

*Terrier mistakes give
Gamecocks reason to

An out-manned band of Terriers fell before the much-heavier Gamecocks of Carolina in the season's opener.

Attempting to maintain a streak of sixteen undefeated state contests, Wofford played Carolina to a standstill for the first quarter and on into the second. But here, the superior weight and numbers of USC told.

The Terriers were unable to contain such hard-running backs as Gene Wilson, Buddy Morrell, and Bobby Drawdy.

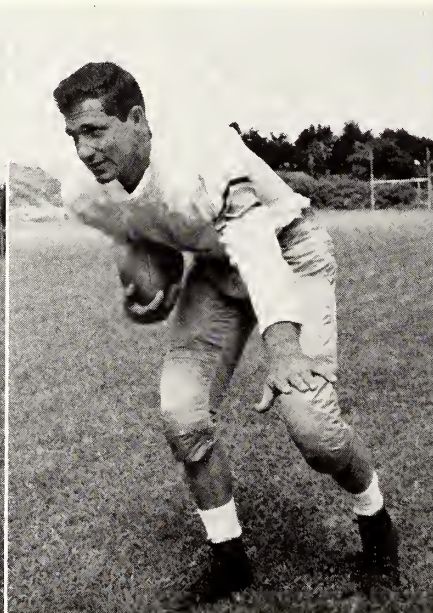

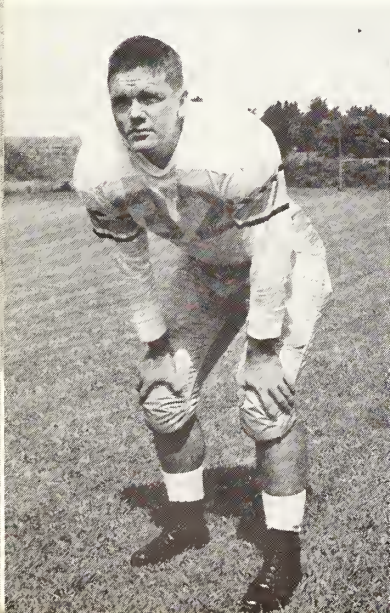

Throughout the game, the Terriers failed to generate sufficient offensive steam to score. Early season mistakes were a prime factor in the loss.

Setting a pattern which was to follow in many of the remaining games, the Terrier's defense scored two touchdowns against the Fighting Christians of Elon College.

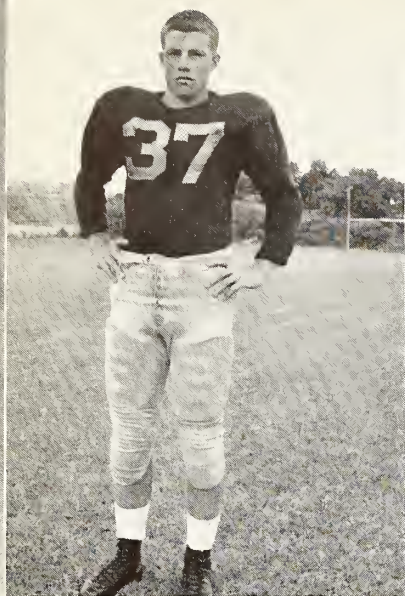

Taking full advantage of Elon bobbles, Wofford's defensive unit tallied first on an end-zone fumble recovered by End Jess Cooksey. Again in the waning moments of the final quarter, Halfback George Lawrence intercepted a desperate heave by a Christian halfback and converted it into a score.

The running of Backs Eli Sanders and Charlie Jones was outstanding, but too much praise cannot be given to the Terrier line which time upon time confused the Elon offense with their defensive maneuvers.

Once again — a fourth quarter snag rips P. C.'s hose . . . 33-20

Coach Phil Dickens had the Wofford gridmen up for this game, and the lads came through with their fifth win in a row over their traditional Presbyterian rivals. With Snyder Field as the battlefield, and with some 8,000 fans in the stands, the scene was set for a real tight tussle.

The Terriers had to overcome a 20 to 13 half-time deficit in the final six minutes of this one to win. Trailing all the way, the Terriers rocketed into the lead on the strong right arm of Jimmy Brock, and the terrific pass snaring of Jack Abell, to pull the game out of the fire. Brock's running, averaging 4.5 yards per try, and his ability to hit end Abell consistently spelled defeat for the P.C. invaders.

Abell crossed the double stripes twice in this fourth period surge (once on a pass, once on a tricky end-around play) as he continued to demonstrate his great offensive abilities.

Powerful Plainsmen Trounce Terriers . . . 54-7

For the third time in as many years, the Wofford Terriers invaded Alabama territory, and down in the red hills of 'Bama, were defeated by the Auburn Tigers, 54 to 7. The Plainsmen scored virtually every time they got their hands on the pigskin.

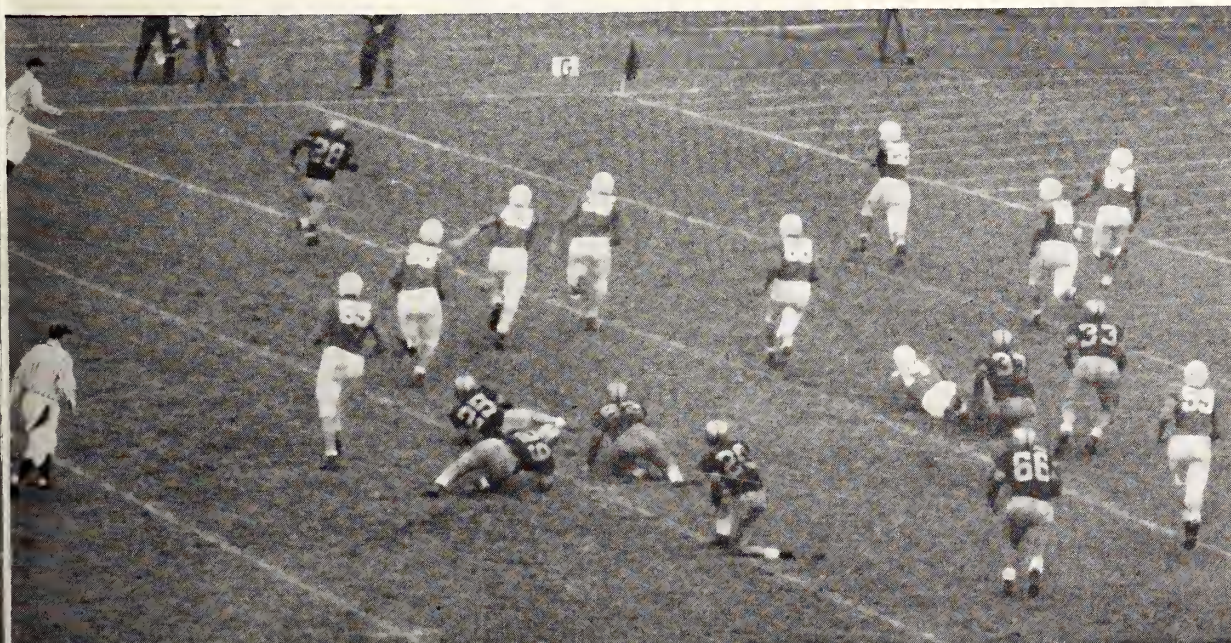

Eli Sanders, Wofford Senior, did all the Terrier scoring as he dented the Tiger goal on a fourteen yard reverse with only seconds left on the scoreboard clock. Dennis Barbare added the extra point, and that was the game. A number of Terrier freshmen proved themselves in this lop-sided contest with Bobby Thompson, Horace Harper, and Charlie Jones sharing the spotlight.

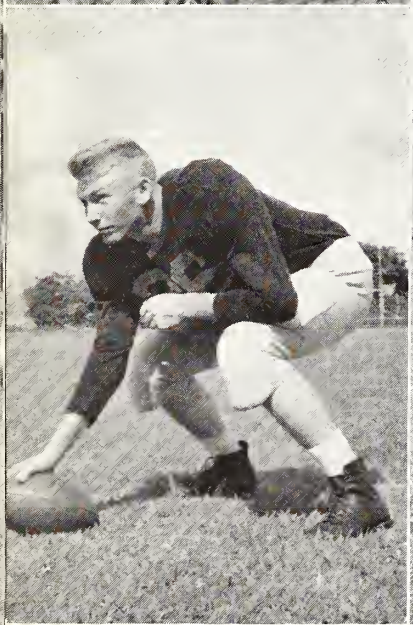

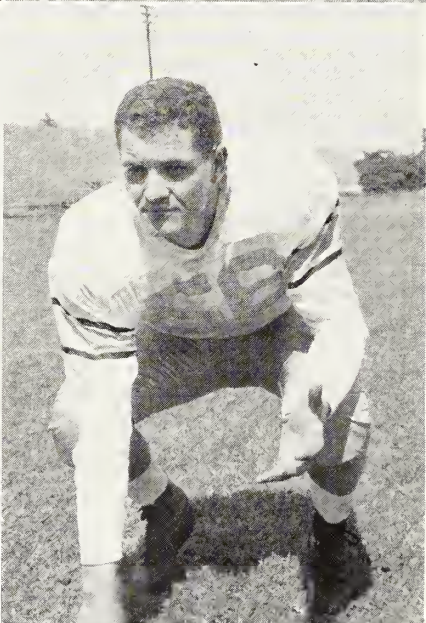

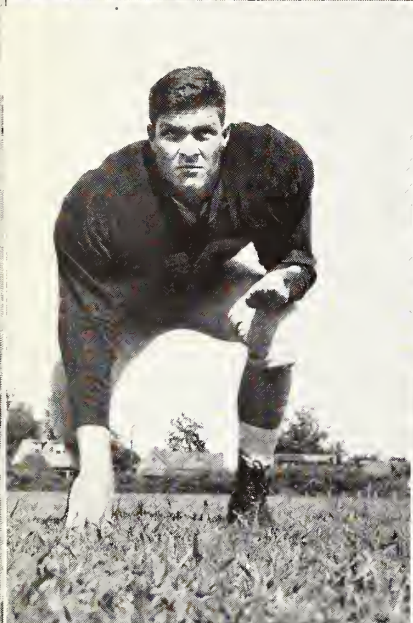

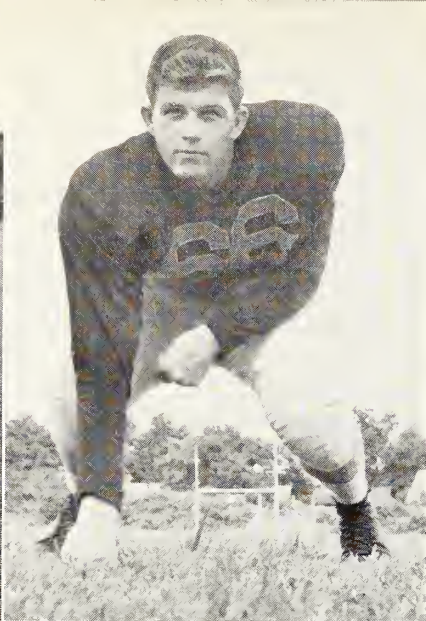

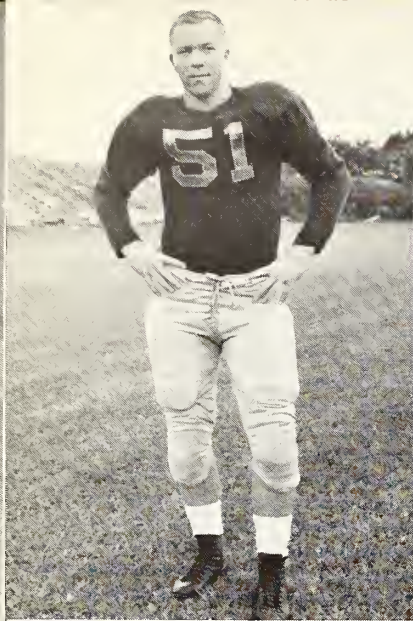

The Terriers, though beaten, were not outfought, and they played hard from the opening gun to the final whistle. The game saw Dudley Spence, Auburn quarterback, tie Southeastern Conference records for consistent pass completions as he connected on eleven straight aerials.

Wofford gains crown through Indian defeat . . . 19-13

The Terriers were surprised at the fight and determination exhibited by a stubborn pack of Newberry Indians, but held on in the lagging minutes of the game to defeat the Newberry crew 19 to 13. Wofford held a 19-0 halftime lead, and it looked as if the game might easily turn into a complete rout until Newberry rallied with a strong passing attack, pushing across for a pair of third quarter touchdowns.

Wofford owed their three touchdown lead at halftime to Jack Abell, Joe Hazel, and George Lawrence, as all three bucked across the double-stripe. Eli Sanders gained 141 yards on nine plays to win top honors in the ground gaining department. Sanders was also key man on pass defense as he broke up 10 of 12 Newberry aerial attempts. This win assured the Terriers of the Little Three Championship, their fifth straight.

Terrible Tennessee tramples Tiny Terriers . . . 50-0

The "Tennessee Waltz" was just too much for our side, as Vol backs Andy Kozar, Jimmy Wade, etc., danced all over the gridiron, defeating the Terrier eleven to the tune of 50 to 0.

Outweighed by the Tennessee forward wall, the Wofford line found the going rough on both offense and defense but played a bang-up game against their larger foes from start to finish.

Linebacker Jack Hall and defensive end Sam Maw, both freshmen, received a great deal of praise from the Terrier mentors for their spirited front line play against the Tennesseans. Veteran center Bill Small and vicious guard, Jim Ditty, were likewise praised for their spirited work.

Eli Sanders, always playing his heart out for the school of the twin towers, continued to look like the great back he is as he returned seven kickoffs for over 150 yards, tossed three complete passes and snagged a couple of passes himself. We just couldn't rack up any points, however!

Big Wind cools Terriers . . . 29-21

Although plagued by a severe attack of fumblyitis, Furman's Purple Hurricane managed to take the measure of the "Terrific Terriers," 29-21.

The first quarter found the Wofford men taking a big 14 to 0 lead. A first quarter Furman fumble was quickly converted into 7 OLD GOLD AND BLACK points and an early second quarter pass interception by Eli Sanders started the Wofford machine goalward bound for the second time.

The Terriers failed to capitalize on several other Purple miscues and settled down to a hard hitting defensive game as the Hurricane generated steam, moving to the Wofford one yard marker. From here,

Gene Pedrick tallied Furman's first TD.

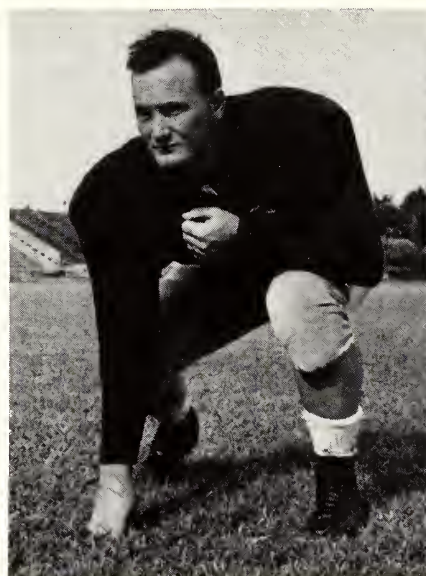

Having seen the half end with a 17-yard TD toss from Pedrick to Barefoot, the 8,000 freezing spectators watched the Hurricane offense rock and roll in the third quarter as a 58 yard march ended just beyond the Terrier goal. Wofford's hopes grew dim as the Greenvillians registered another TD and a safety in the fourth canto.

With a "never say die" spirit, Wofford marked up their final score in the closing moments of the final period. A Jones to Abell pass was good for 28 yards and the score. Barbare kicked all three of Wofford's extra points.

Go Brock, Go—

Again — Wofford jolts undefeated Catawba . . . 14-0

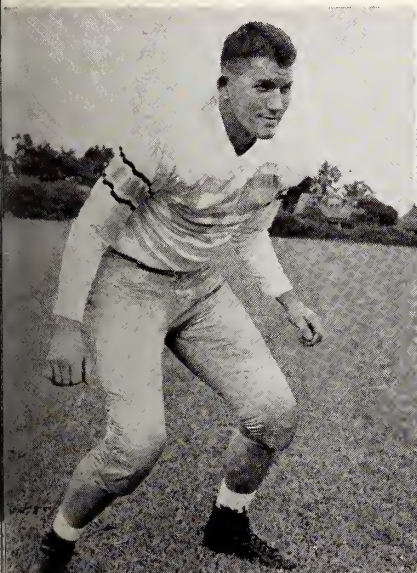

After a lifeless first half, the mighty Terrier team picked up steam, coming back in fine style to execute two long scoring drives.

In the opening minutes of the third period the Wofford offense rolled seventy yards with Eli Sanders, Bobby McLellan, and Jimmy Brock carrying the ball to the Catawba 20. Brock then ran up the first Terrier score from here as he broke loose for the needed yardage. "Trusty-toe" Dennis Barbare successfully booted the extra point.

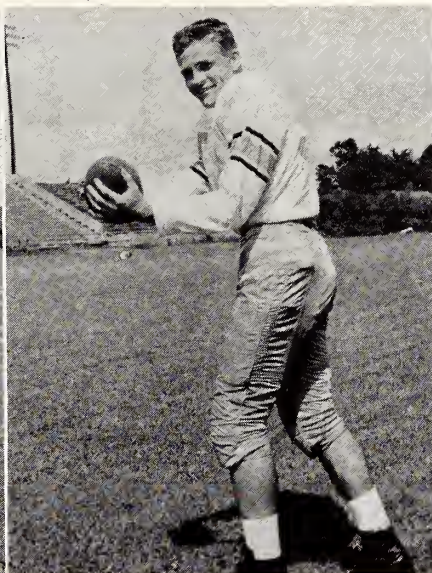

The Terriers kicked off. After two running plays,

the boys from the North Carolina school attempted a pass. Barbare, playing his usual brand of top-notch football, leaped to his left, hauled down the pigskin and chugged down the sidelines 21 yards for the second and final TD of the day.

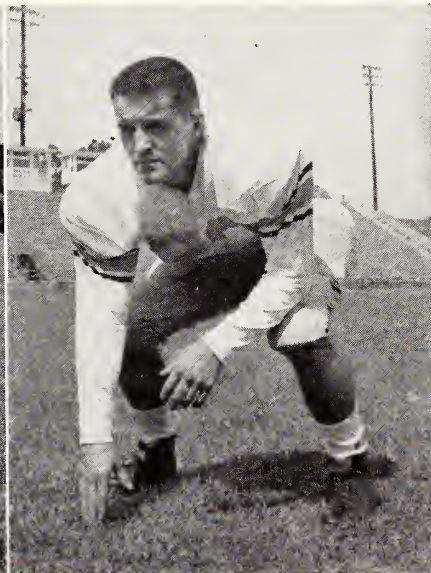

The Indians came close to the Wofford goal only twice during the entire fray. In the second quarter they managed to drive to the ten, only to be stopped cold by the stubborn Terrier forwards, and in the fourth period advanced to the one yard marker, where they found it impossible in four downs, to penetrate the Wofford defense.

Terriers frolic on Big Green . . . 41-21

It was a beautiful Homecoming Day for old grads of Wofford as summertime weather and the Terriers stole the show. With the whole Black and Gold squad playing their best game of the season, the Big Green from Marshall College went down to a 41-21 defeat.

A Jones to Abell pass started the onslaught. This scoring play was soon followed by an interception and return to pay dirt by Barbare and a brilliant TD run by Powers. The Terriers left the field with a 21-0 half-time lead.

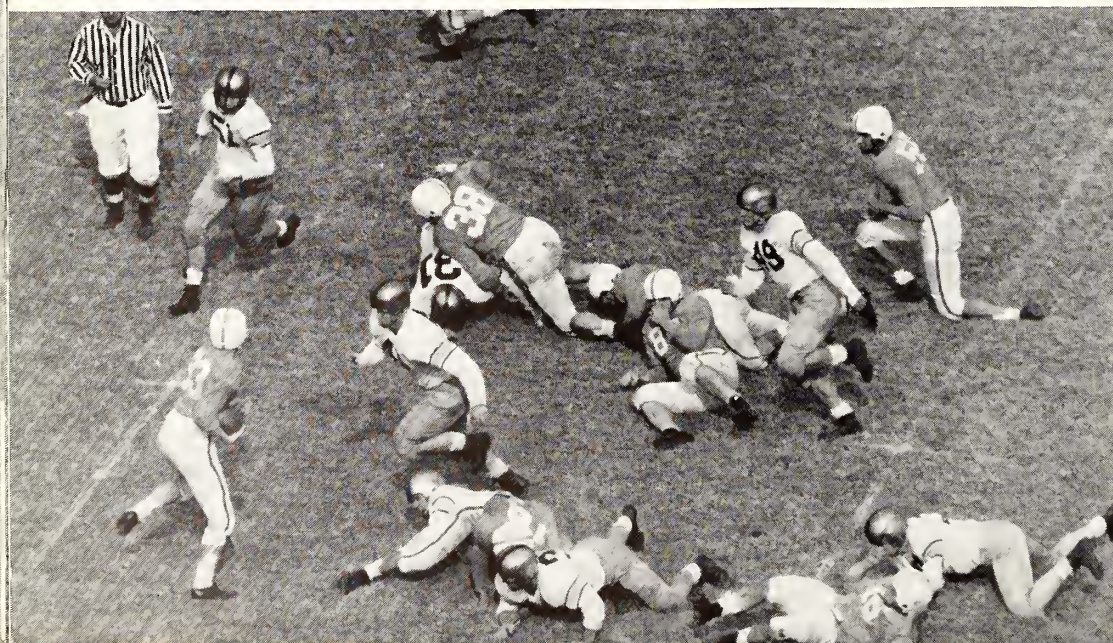

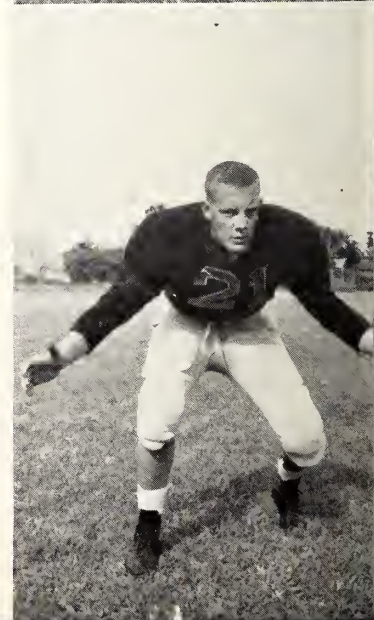

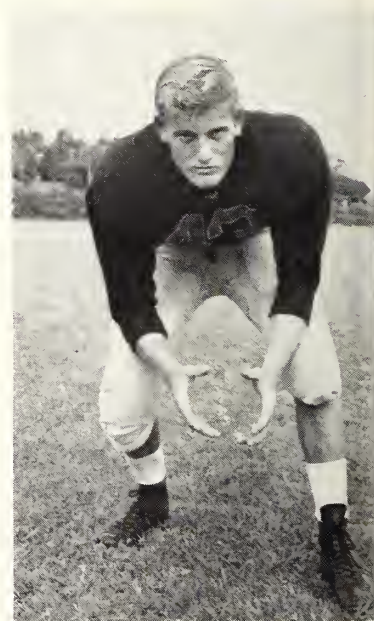

During halftime ceremonies, Miss Pat Riley of Greensboro College was crowned Homecoming Queen.

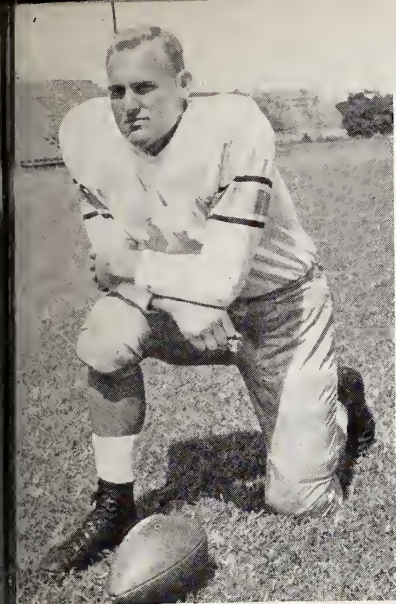

The second half started very much as the first half had ended, with Wofford tallying another TD on Hazle's plunge. Later in the quarter, Abell crossed the double stripe again.

In the final stanza, Powers added his second six pointer of the day. Marshall's three scores came against Wofford's second and third teams.

Catamounts bow to Terriers . . . 21-13

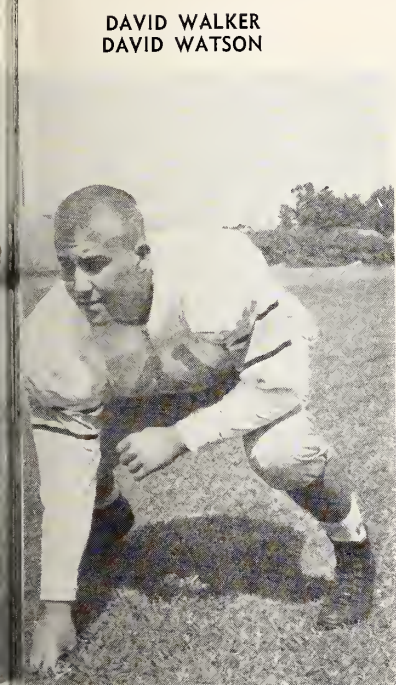

Appearing on their home grounds for the third time in as many weeks, the Wofford Gridders, still fresh from a brilliant homecoming triumph the preceding week-end, found the going rougher than expected against a spirited crew of Catamounts from W.C.T.C.

Going into the fray in the favored role for a change, the Wofford team jumped to the front with 21 quick points and then held on for dear life as the inspired W.C.T.C. backs bounced back with two TD's and came close to marking up two more.

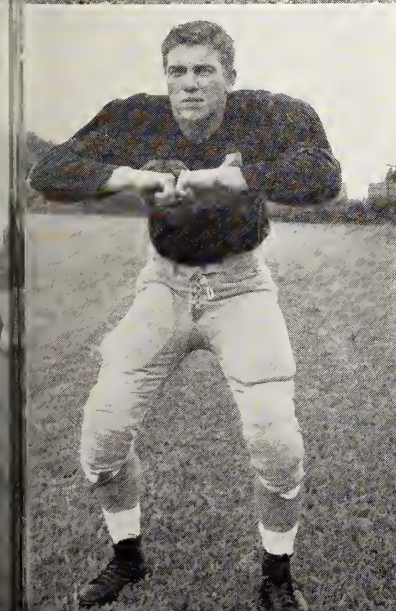

Terrier Ends Cooksey and Pope, Guard Jim Ditty and Linebacker Jack Hall, all key defensive stalwarts, saved the day for the OLD GOLD AND BLACK. Ditty set up two Wofford touchdowns with blocked punts and Cooksey laid the groundwork for the third when he pounced upon a Catamount fumble.

Hall and Pope were two men greatly responsible for keeping the fighting North Carolina team from taking the lead. Pope recovered a W.C.T.C. fumble on his own one yard stripe to put an end to a second half Catamount thrust while Hall constantly made trouble for the opposition, stopping plays that might have gone all the way.

Abell nabs another one.

F. S. U. jinx still holds . . . 27-13

With 4,000 chilled fans looking on, the Wofford forces grabbed an early seven point lead only to watch this scant margin melt before the hard charging backs of Florida State University.

Early in the initial quarter, Joe Hazle bulled over for the first of Wofford's two six pointers after center Bill Small had gobbled up an F.S.U. fumble deep inside the shadow of the Seminole goal posts. Barbare added the point.

From here on out a different gridiron tale unfolded

before the Terrier rooters as the win hungry congregation from the "Sunshine State" came to life, completely out-maneuvering the Terrier offensive and defensive units. With fleet footed Nelson Italiano sparking them along, the F.S.U. offense rolled for two rapid second period scores. Italiano scampered for one and passed for the other one, moments later, giving his mates a lead they never relinquished. F.S.U. added 14 more points to their total in the third period while a fourth period Jones to Abell pass accounted for Wofford's final six points.

Wofford's four razzle-dazzle cheerleaders are an energetic group indeed! These lads who are really the big machine behind our school spirit are ready and willing to give out with a cheer no matter how inopportune the time might be. Quite often during the gridiron season their voices have pierced the early morning quietness, beckoning students to come and give the team a raaring send-off. Sleepy eyes were barely open at these pre-dawn gatherings, but Charlie Furr, Eddie Carswell, Bill Penny, Jim Wiseman, and head cheerleader Johnny Gill were always full of pep and raring to go.

But beside the actual cheering at games, pep rallies, and the like, there were many "behind the scenes" jobs which our cheerleaders performed—decorating goal posts, making posters, or planning and practicing new yells.

The job of cheerleaders is not all play. But the job that they do is truly one of the most important at our school.

They whoop it up at—

Back to boost the Terrier hardwoods this year were five of last year's varsity squad. With this quintet of experienced men and with six or seven polished freshmen sharpshooters to fill the gaps, Coach Joel Robertson once again guided his charges to a respectable spot in South Carolina basketball circles.

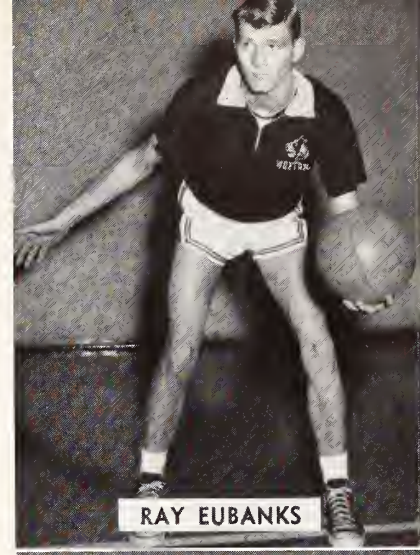

"Daddy" Neal, one of the greatest hoopsters in the nation, fast moving captain Bill Moody, and senior forward Doug Guthrie playing the calibre ball expected, led the Wofford cagers in their twenty-two game schedule. Five Freshmen from Spartanburg High: Dennis Mathis, Harry Wallace, Jimmy Maxwell, Wesley Burrell, and Ray Eubanks showed up well this season and should be able to fill vacated starting positions next year.

With a large proportion of the team composed of Freshmen, the Terriers faced one of its most rugged schedules opening with the University of Tennessee there late in March. The home scene was not one of free sailing for the schedule also called for games with Davidson, Furman, Presbyterian, Erskine and Newberry.

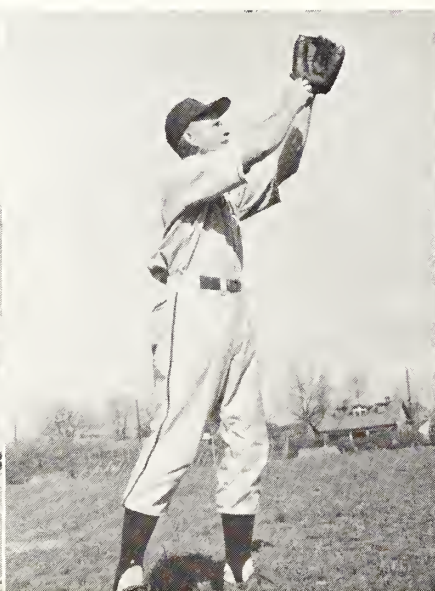

Although faced with this schedule the Terrier team ended its season with a highly creditable won-lost record.

Tennis is getting to be quite a sport around Wofford and this year found plenty of racquet men getting into the swing of things.

Many of last year's men, back with several years experience under their shorts, took to the courts to assure Wofford of an impressive Tennis record. Rock Huff and Henry Bynum, exhibiting plenty of form held down the top spots on the roster and were ably assisted by veterans, Sid Kelly, Rex Guthrie, Allen Hoffmeyer and "old reliable" Harvey Floyd.

Freshman Jimmy Bailey, the man who whizzed into the state high school finals last year, lived up to his advanced billing as he played a large part in the Terrier Tennister's victories.

This year the Tennis squad received two somewhat unexpected surprises. Dr. Gaines, Wofford's president, a former tennis coach and enthusiast at S.M.U. showed a great deal of interest in the team and for the first time in year's our "men of the courts" received classy uniforms from the school.

The intra-mural program of athletics at Wofford has been named the best of small colleges in the nation. Yearly, the seven social fraternity teams, the day student team, the dormitory teams, and the freshman teams battle it out through a series of events to determine the winner of the coveted intra-mural trophy.

Guided by Mr. W. W. Sheerer, and Mr. Lou McCullough, the program received a great deal of support this past year. Many hours of clean, healthful sporting with a prize to the winners are the benefits of the program.

A Prelude to Tomorrow . . .

MRS. FRANCIS PENDLETON GAINES, JR.
Our First Lady introduces our Feature Section

Our theme of STUDENTS OF TODAY—LEADERS OF TOMORROW would certainly be incomplete without some word being noted about our future family life. Wofford men in the past have "held their own" in the field of matrimony, too, and we, the students, now have quite a challenge to follow in finding our mate as many of us are sons of former Wofford men.

Pictured on the next few pages are beauty contest winners and sponsors for the campus organizations.

Wofford College, a PRELUDE OF TOMORROW, prepares us for wholesome family life, and the surrounding "female academies" supply the means to this end.

Faced with many challenges about the future, one field of endeavor—matrimony—will never be found lacking in applicants and we may be sure that the STUDENTS OF TODAY will be LEADERS OF TOMORROW in that field.

As you continue through this volume, you now find the . . .

Homecoming Festivities — 1952

Wormed by an autumn afternoon sun, the eight thousand fans who filled Snyder Field saw an immense panorama of gridiron spectacle, bright color, and feminine pulchritude. Highlighting the afternoon was Wofford's 41-21 defeat of Marshall College.

Catching everyone's eye during halftime was the coronation of Pat Riley of Charlotte, N. C., and Greensboro College as Wofford's HOMECOMING QUEEN V. Surrounded by a court of lovely lassies, "Queen Pat" reigned as a charming and gracious monarch of the annual Inter-Fraternity Council's Homecoming Ball that night.

Other highlights of the day's activities were the capture of first place float by Delta Sigma Phi and the dormitory cup won this year by Greene Hall.

Parade, game, queen, and dance all made the BIG weekend a rousing success.

Examples in larger numbers than anywhere else shown in this book of the truth of this theme, **STUDENTS OF TODAY—LEADERS OF TOMORROW**, follow in the succeeding pages.

Spartanburg, the home of "dear old Wofford" is known for its cultural and business opportunities and has been a backbone to Wofford's existence. To you, the citizens of Spartanburg, we say "Thank You" for your part in our development.

With one third of our student body coming from Spartanburg County, you may see that that alone would be ample reason for our gratitude—but that doesn't cover our feelings adequately. We are grateful to you—the hospitable people of the Hub City—for your undying interest in us and our college life. "Thank you" again.

THE 1953 BOHEMIAN

YEARBOOK OF WOFFORD COLLEGE
SPARTANBURG, S. C.

It is with most humble and grateful hearts that we express to you, here at Wofford, our sincere appreciation for your full co-operation with the staff in the production of the 1953 BOHEMIAN.

1953 was a big year on the Wofford College Campus. We hope that we have captured the spirit and activity of the year in your 1953 BOHEMIAN.

Despite cut appropriations and cut pages and pressing deadlines, we have managed to bring you your yearbook. Getting the BOHEMIAN out was not always a picnic, but everyone on the staff survived and came through all right. In fact, we all rather enjoyed it.

Looking back over our trials and tribulations, we feel it was well worth it all to be able to bring to you, the students, what we think is the best yearbook ever. We have made many changes in the style of the book which we think adds much to it.

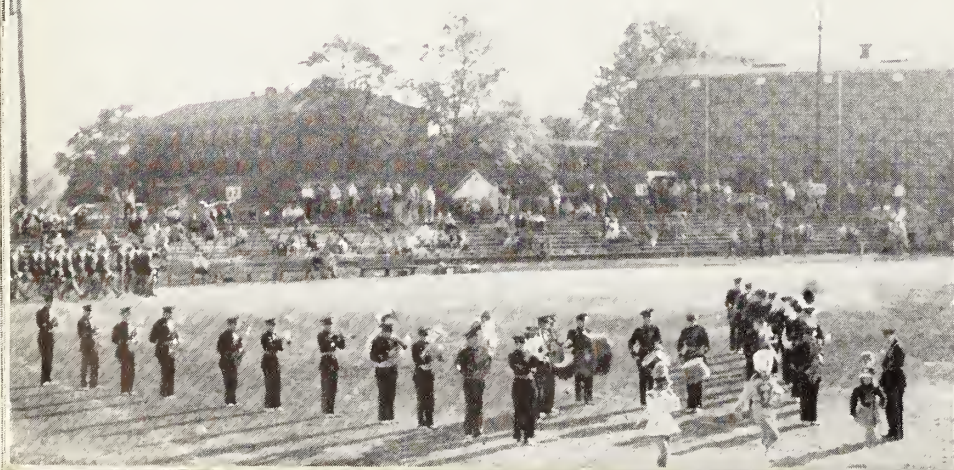

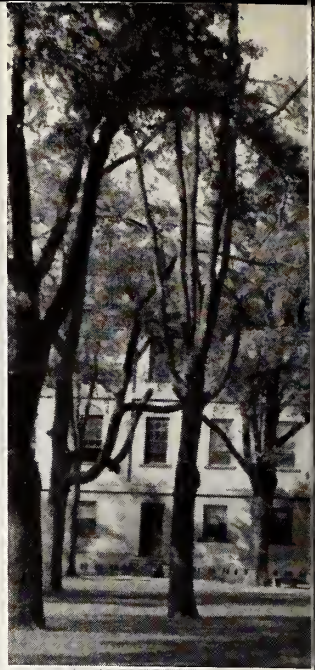

We feel that we have fulfilled our obligation to you in presenting your 1953 BOHEMIAN, and the only thing we want to hear is that you like it.

As we approach the end of another college year, some of us leave the hallowed halls of Wofford to return only as an alumnus, others of us are fortunate enough to return to this sacred sod for further study. As our reminiscence brings back moments of memory of rat caps, ratting, our first college football game as a college man, our first college dance, and many other wonderful experiences enjoyed here at Wofford, we know that the day when we'll sing our Alma Mater as an alumnus isn't far off and we'll walk the chapel aisle for that last wonderful moment--graduation. May we as we leave Wofford in body never leave her in spirit and always walk in her light.

Thank you for your co-operation with the BOHEMIAN staff--

Most sincerely,

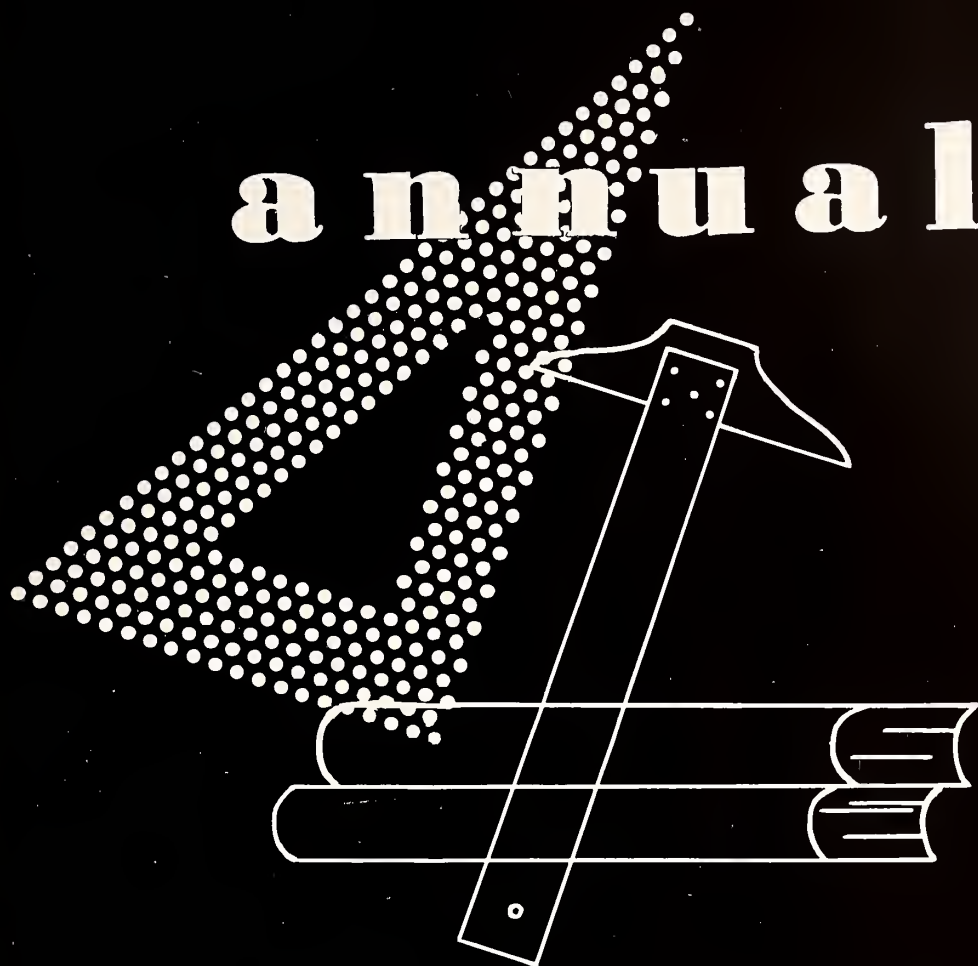

Bill Kinney Jr.

annuals of

distinction.

Original layouts, distinctive typography and sparkling reproduction that give your annual the luxurious appearance impossible to obtain by standard layout, mass-production methods.

Cherished by thy sons forever,

Memories sweet will throng

Round our hearts, dear Alma Mater,

As we sing thy song.

*When we from thy halls have
parted,*

And life's battle's on,

Thy great spirit shall inspire us,

Till eternal dawn.
